### ARMATHAN APS MALADIE D'AMOUR

The ticking of the typewriter and the notes of the violin are the soundtrack to the love story of Marcel and Pauline, two young artists who know and love each other and decide to unite their hearts, their lives and their dreams.

It's a simple, almost normal story.

And in the suitcase of this long journey together, they wanted to collect only emotions and caresses, laughter and arguments, hugs, thoughts...

For Marcel and Pauline, words have never been important.

They asked us to tell the story of their love in this delicate way.

We did it, having fun, joking, sometimes moved, but always amazed by the depth of their simple being.

And perhaps, their story... a little... it feels like it's our story too!
