## SCRAMBLED EGG THEATRE COMPANY

### A MAN OF NO IMPORTANCE

Norman – a man of no importance – works as a cleaner at MI6, the headquarters of British Intelligence. He dreams of becoming a secret agent like James Bond. At work, he is ignored and mistreated by everyone except the beautiful young female secretary who frequently flirts with him. A strange series of events leads him to uncover a secret plot to bomb a large building in London.

A mysterious 'man-in-black' chases Norman through London's streets and underground system, attempting to silence him before the plot is revealed. Norman discovers that the target building is MI6, and the 'man-in-black' is the head of British intelligence.

Ultimately, he demonstrates true heroism by defeating the treacherous Head of British Intelligence and preventing mass murder. Norman's heroism is never acknowledged in public, and he remains a man of no importance - until the beautiful secretary pays him a late-night visit. The good guy always gets the girl at the end.
